The first installment of Taxes (including Road Tax) must be paid on or before the First Monday in May, or the taxes for the whole year will become delinquent and subject to 10 per cent. penalty. The second installment must be paid on or before the First Monday in November following. But any taxpayer may pay the full amount of such taxes on or before the first Monday in May, 1911.

Assignees, Guardians, Administrators, and others who pay taxes on property in trust, and persons whose taxes are complicated, such as undivided estates, etc., are earnestly requested to settle such taxes before the last few days, as it requires considerable time to make divisions and separate receipts therefor. AS THE TREASURER CANNOT KNOW THE LOCATION OF EACH PERSON'S PROPERTY, TAXPAYERS SHOULD DESIGNATE THE PROPERTY ON WHICH THEY WISH TO PAY TAXES, AND SEE THAT ALL PROPERTY IS SPECIFIED IN THEIR RECEIPTS. If they have land in more than one township or town, or desire to pay taxes on lands not in their names, call the Treasurer's attention to the matter.

ROAD RECEIPTS WILL NOT BE RECEIVED AFTER THE FIRST MONDAY IN MAY, EXCEPT ON DELINQUENT TAXES.

Carefully examine the receipts before leaving the office, and if anything is wrong, have the correction made at once. The Treasurer will not be responsible for the penalty and charges on delinquent taxes resulting from any omission of the person failing to state definitely on what property, in whose name, and in what township or corporation it is assessed. Persons owing delinquent taxes should pay them at once. The present law is of such a character that there is no option left the Treasurer but to enforce the collection of delinquent taxes by the sale of property, if necessary.

"The owner of property on the First day of March of any year shall be liable for the taxes of that year; the purchaser of the property on the First day of March in any year shall be considered the owner on that day."—Section 103.

Call on the Auditor for irregularities in taxes or for reductions to be made. The Treasurer cannot make such reductions. Taxpayers will find it greatly to their advantage to call at the Treasurer's office and get a memorandum of the amount due from them for taxes. County orders cannot be paid to parties owing delinquent taxes. All persons are warned against buying them.

THE ANNUAL SALE OF DELINQUENT LANDS AND LOTS WILL TAKE PLACE THE SECOND MONDAY IN FEBRUARY, 1911.

I would especially urge upon taxpayers the importance of paying early and avoiding the rush of the last few days.

FRED. H. MYERS,
Treasurer of Marshall County, Indiana
